DECISION ON PETITION

The "Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. §1.137(b)" filed on 18 April 2001 in the above-captioned application is hereby **GRANTED** as follows:

The statement that "[t]his application became abandoned because the failure to provide the full U.S. Basic National Fee by 20 [sic] months was an unintentional delay" has been interpreted as meaning that the "entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3). If this is an incorrect interpretation, applicant is requested to notify this office. The petition fee, basic national fee and a surcharge fee pursuant to 37 CFR 1.492(e) have been paid. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

An oath or declaration of the inventors pursuant to 35 U.S.C. 371(c)(4) has still not been provided. Accordingly, the application is being forwarded to the United States Designated/Elected Office for further processing including mailing a Notification of Missing Requirements (Form PCT/DO/EO/905) for failing to provide a declaration in compliance with 37 CFR 1.497 (a) and (b).
